Mountain View Catapult Competition

On Saturday, June 4, four teams gathered on the Mountain View field to compete in the Catapult Competition.

The bean bags and tennis balls were flying as the three catapults and one trebuchet — each uniquely different and absolutely amazing — competed in three events: shot group, accuracy and distance. Below are the winners for each category:

- Shot Group:** Team Cassin Clan
- Accuracy:** Team Nights that go Nil!
- Distance:** Team Tri-B-s
- Most Medival:** Team TNT Catapult

The competition was exciting and a lot of fun with the teams making adjustments throughout the morning to obtain the perfect shots.

A big round of applause goes to all the teams who took the time and effort to build a catapult or trebuchet!

Team TNT Catapult:

Tash Travis, Ty Travis, Johann Drew

Team Cassin Clan:

The Cassin Family

Team Tri-B-s:

The LaBau Family

Team Nights that go Nil:

The Thomas Family

A big THANK YOU to **Mrs. Yesi Thomas** for all of her efforts in organizing such a fun as well as very educational (full of math, engineering and science) event!

Here are some photo highlights from the Catapult Competition on Saturday.
