

## Support our Specialist Programs for the 2018-2019 School Year!

Dear Parents:

The **MAGIC Annual Appeal** is the campaign that seeks funding to enrich your child in the following areas:

**Art \* STEAM \* Library \* Music \* Physical Education \* Technology**

### Calculations for the Amount we are Requesting Per Student

The Goleta Union School District has earmarked funds to support these programs which *helps* toward the costs of our Specialist Program. We need your financial support for the **enhanced level** that Mountain View provides.

Total Cost above District Funding of Specialist Program	\$100,000
Funding provided by MAGIC reserve:	<u>- \$50,000</u>
MAGIC's fundraising needed in 2018-19	\$50,000

\$50,000 divided by approximately 335 students at school = **\$150 per student**

### Exciting MAGIC Funded Enhancements

This year, MAGIC's outreach is being extended to include all supplies & materials for specialists *and* hours for certificated tutors in the classrooms. We are also funding some incredible conferences for our specialists. Our STEAM specialists are working on creating a marble wall in the STEAM lab and a Makerspace for students during lunchtime, for example. Our certificated tutors are assisting teachers with small-group, targeted instruction in English-Language Arts and math. One of our PE specialists has started a cheerleading team comprised of students in our special education and general education programs. We've got exciting things happening at Mountain View and your donations allow for this!

### How to Donate

Donations can be made through the Mountain View link on PayPal at <http://mtnview.goleta.k12.ca.us/support/online-donation> or by credit card. You can also drop off a check made out to "Mountain View School MAGIC" in the school office.

**Every dollar counts**, so please give what you can. If your family has a business that would benefit from advertising to the MVS community, please consider a business sponsorship. All donors are entered into monthly drawings for VIP parking.

Donations to MAGIC are a **tax deductible** way of directly supporting your own child through their school!

Thank you,  
Lara Sullivan, 2018-2019 MAGIC Chairperson
